OUR BRAND STORY

Sajji, a traditional delicacy from Balochistan. The authenticity of this dish lies in the cooking method but the secret ingredient is always perfection.

But when we brought Sajji to Punjab, we knew, authenticity alone, won't cut it. So, we introduced the most iconic flavours in Sajji. We're the pioneers in flavoured sajjis. Our culinary experts have created every flavour with a special recipe. Adding the perfect balance of spice, herbs and flavours makes our sajjis supremely delicious, making every meal worth your while.

Starting from one branch to 4 in just a year and moving on to franchising, we can proudly say that we have won more hearts than we thought and we'd like to continue our journey with the same passion. We'll always want to be our customers' go to destination for sajjis.

INTRODUCTION

Welcome to the Sajji Restaurant Brand Guidelines. These guidelines are designed to ensure consistency and coherence in representing our brand across all platforms and materials. DOM MUTTON

Our name was conceived with a simple idea.

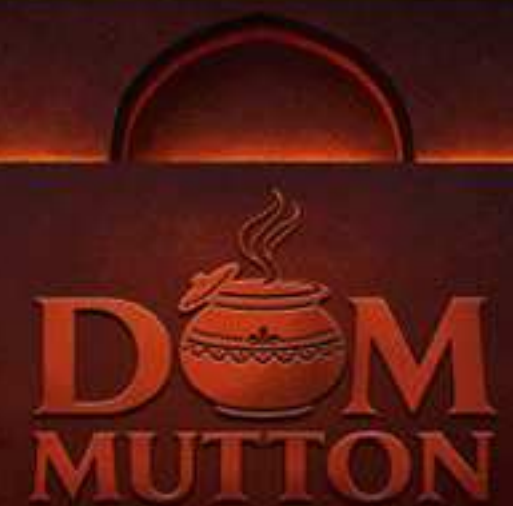

"Depth Comes From Control"

The name carries Dum as a mindset
Restraint, Discipline, & Respect for Process.

In royal kitchens of the Mughal era,
flavour was never rushed.
In our kitchen, that same mindset is
expressed through "STEAM".

Dum ek Soch hai
Steam us ka Tareeqa

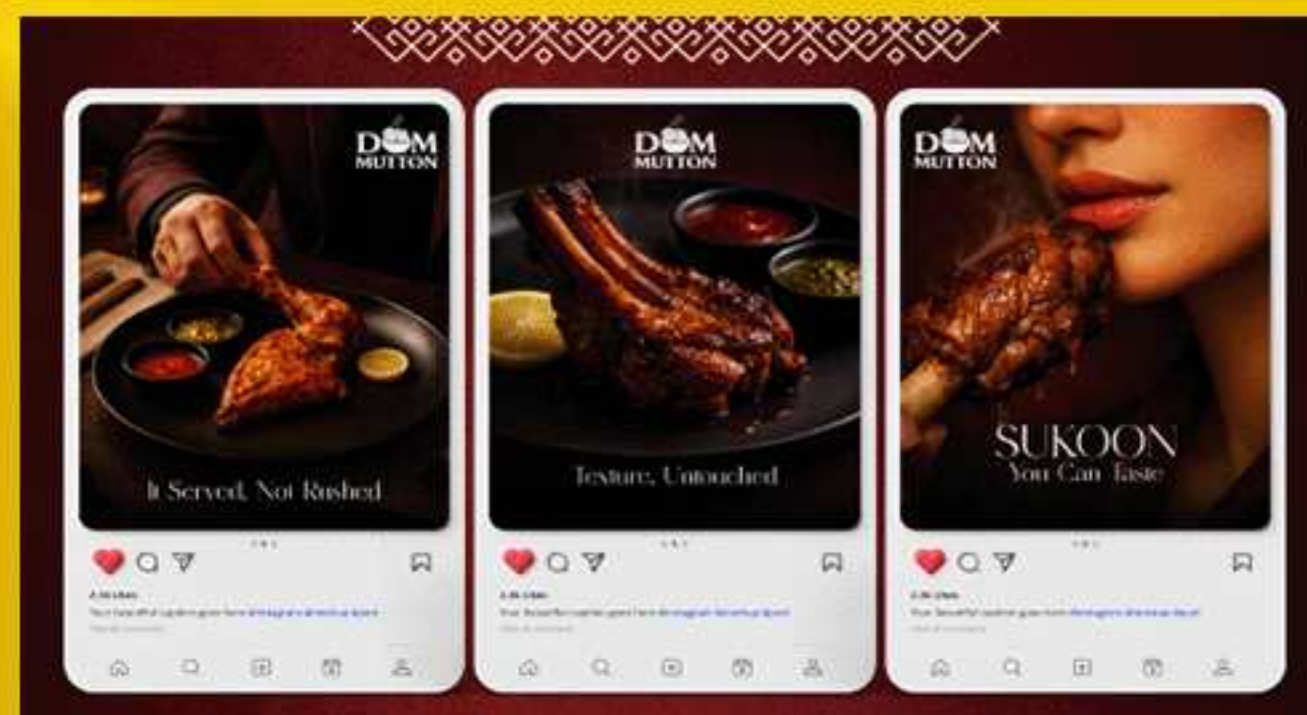

SOCH

DUM MUTTON begins with intent
every decision is made consciously, not casually.

TAREEQA

Steam is not a shortcut, it is the method
Technique defines the outcome.
