MANGOVERS SOCIAL MEDIA APPROACH

01

WHY SOCIAL MEDIA AGENCY?

In today's globally competitive environment all around the world, people now understand that CREATIVE CONTENT RULES. Branding is everything, and showcasing your business services always makes your brand stand a step ahead of your competitors.

02

ANALYSIS

After analysis, a roadmap will be proposed with content designed for the upcoming month. The roadmap will keep your needs and wants into consideration, and it'll be sent to you for any required revisions.

03

ROADMAP

We'll start the execution of tasks according to the roadmap, and design the artwork and content in the light of the roadmap finalized by you.

04

FEEDBACK

Our clients are our utmost priority and therefore we follow Mangovers' Expert Opinion Approach where our expert strategists would present you with a report of your past month social media performance and give you expert opinion for the ongoing month. The lacking areas highlighted as per your feedback in our work would be improvised for the next month.

Studies show that 80% of adults use social media, so investing in social media marketing is definitely the best investment one could make

MANGOVERS

WHY DO BUSINESSES NEED SOCIAL MEDIA MARKETING?

- Finding new customers
- Promote your products and services
- Brand recognition and Trust
- Create community and loyal following
- It's always good for Search Engine Optimization

WHAT CAN YOU EXPECT FROM MANGOVERS SOCIAL MEDIA MARKETING?

- Increase in the number of followers on all social media networks (Ads spend recommended)
- Proper management of your social media platforms according to best practices and standards
- Brand recognition with the passage of time

HOW MANGOVERS IS DIFFERENT FROM OTHER AGENCIES?

APPROACH

It's all about the approach. The approach we use to target our audience is quite different from other agencies. We keep our audience's needs and wants into consideration, and then formulate strategies to build their social platforms. We aim to make them our loyal and repetitive customers.

CREATIVE CONTENT APPROACH

We make our content creative and engaging for the audience to ensure that the audience feels attached to the content somehow. The more the audience feels attached to the content, the more engagement and therefore the more consistent results we expect. Our creative experts' panel sees to it that the content has been designed and proposed after extensive brainstorming.

CLIENTAGE

We have interacted and worked for some renowned clients, and have created content that's famous worldwide. It has also given us a competitive advantage over other agencies.

MANGOVERS SOCIAL MEDIA APPROACH

Mangovers Litmus test has been designed after years of marketing experience to help clients analyze where their current product or service stands. For a brand to generate aggressive sales and succeed, all the aforementioned steps should be covered. If any step is missed, it can cause setback
